Finding your Home in Victoria

I wanted to express my gratitude to Diana Winger for selling our home in Victoria. After using two other real estate agents with no success, we were fortunate enough to find Diana. I knew at once after reading Diana's newsletter that she would be the one to sell our property. She worked diligently and actively to sell the property and kept us informed every step of the way. My only wish would have been to have found Diana sooner. I can't recommend her enough and will be using her again in the future.

Diana made my home purchase in Victoria a breeze. She knew the market, understood my housing needs and looked after all the details. On top of that she is a warm and personable individual and a great communicator. I highly recommend Diana Winger.

I would highly recommend Diana Winger as a real estate agent. I had been looking for a place on and off for about three years. It was not until I met Diana at an open house that I decided to have her represent me, after being quiet frustrated in my search. I was very grateful for her professionalism, hard work, but more than anything, her gift of really hearing her clients and meeting their needs. I love the place I bought in Saanichton and it's exactly what I had been looking for! She is passionate about her work and truly feels it is her calling to bring buyers together with a home that they'll love.

Diana, buying a home in Victoria by your help is very good experience. We felt no pressure at all to rush, or do something we are not sure of. Diana always advised us with honest market opinions. We felt that Diana worked with us to our very best interests. We recommend Diana's service to anybody wanting to buy or sell properties in Victoria.

TESTIMONIALS
Finding your Home in Victoria

Dear Prospective Client,

I was referred to Diana Winger for my real estate transaction and was thrilled with the service I received. I used Diana's services to assist me in the purchase of my current home in September 2008.

Diana led the transaction completely. I was impressed with her ability to listen to my desires and limitations and find a property which met my requirements. Diana was extremely professional in all of our dealings, discussing details of properties in a way which made me proud to have her working on my side. Her ambition and determination lead me to this house I call home.

Her ability to communicate is outstanding. She is excellent at coaching you through the negotiation process and assisted greatly in achieving the deal I desired. She is extremely patient and was very diligent in keeping me abreast of properties as they came on the market.

I was particularly impressed with the amount of preparation Diana would put into preparing information for me. Her strong analytical background was not only valuable in discussing pricing specifics, but in providing reason to the emotions which come in making a purchase of this size.

Expect Diana Winger's service to be outstanding. She is an excellent agent to assist you in buying or selling property. Her simple passion for the business and drive for success will ensure your satisfaction in your next real estate transaction. Please don't hesitate to contact me if you have further questions – I would be happy to serve as a reference for Diana.

Wishing you the best of success,

Jeremy Chiu
